Dear Ms. Thornton,

Congratulations! For the period of July 1, 2021 through June 30, 2022, Belmont Runyon School has received a SEL grant from the Newark Trust for Education in partnership with the Victoria Foundation under the Safe and Supportive Learning Environments Initiative (SSLE).

Newark Trust will reimburse the Newark Board of Education for up to \$8,112 out of the SEL grants to cover the cost of school leaders, teachers, substitute teachers and paraprofessionals to participate in afterschool meetings, PD sessions, and activities related to the SEL grant.

Please note that this grant is not a commitment to annual support. This grant is intended to cover work performed July 1, 2021 through June 30, 2022, unless otherwise determined in conversation with the Trust. Please sign, date and return all pages of the attached agreement as soon as possible, to Muddasra Munir, Grants Manager, via email at mmunir@newarktrust.org.

On behalf of the Newark Trust for Education, we are excited to partner with the Newark Board of Education in developing effective learning opportunities and improving student outcomes.

Sincerely,

Ronald Chalusán
Executive Director
