Roger León, Superintendent
Newark Board of Education
765 Broad Street
Newark, NJ 07102

Re: Donation

Dear Superintendent León:

In efforts to support the students, their parents, and the staff of Newark schools, Teledex Inc. would like to make a donation of small consumer electronics to the Newark Board of Education. Items include powerbanks, calculators, motion sensor lights, timers, and clocks. The chart on the second page of this letter is a complete list of items that we would like to donate. The value of the donation is \$93,451.

The BOE and the schools can use the goods as they see fit, including as gifts, rewards, in raffles, and in support or outreach programs.

Teledex is very happy to support the Newark school community.

Sincerely,

Isoroku Noguchi
Founder and President
