

GOOD SPORTS

GIVES ALL KIDS THE LIFELONG BENEFITS OF SPORT AND PHYSICAL ACTIVITY BY PROVIDING NEW EQUIPMENT, APPAREL AND FOOTWEAR TO THOSE MOST IN NEED.

Dear Mr. Veltre,

Good Sports is a national non-profit that donates brand-new sports equipment to programs in high need communities across the country.

We are pleased to work with the Newark Board of Education. Good Sports is providing an equipment donation to benefit Newark Public Schools' high schools that meet our criteria (51% or higher free and reduced lunch rate). The equipment donation will be shipped out in waves. Below are the items that will be shipped based upon approval. Good Sports and our partner are covering all shipping and handling fees in full for this equipment donation. There is no cost to the District.

We hope to continue our relationship and provide equipment donations in the future. The District is approved for two years and can receive up to six equipment requests over that period. Future equipment donations may involve a shipping and handling fee which is 5% of the total donation value provided.
